Happy Thanksgiving weekend from Old Mutare, Zimbabwe!

Yesterday almost an inch of rain fell, announcing that the six-month dry season is over and the summer rains have begun. In southern Africa, it smells like Christmas.... and Thanksgiving!

We hope you have been able to celebrate with friends and family. On Sunday, 25 special people joined us for a potluck feast that included the first turkey that Jane roasted (it was delicious!).

We LOVE the idea of Giving Tuesday following so closely after Thanksgiving and Black Friday.

We hope you already have an idea of a charity or cause to benefit, but just in case.....
