# HAPPY CHRISTMAS

*"I will dwell in them and walk among them .....*" (2 Cor 6:16)

*Dear friends and family,*

We are currently entertained every morning by two swallows that have made the ceiling of our veranda their chosen building site. They will take weeks to construct their nest, one beak-ful of mud at a time. Last year their efforts ended in disaster when, because of its weight, the nest became detached from the ceiling. Still, they are determined to give it another go, and we will see how we can help them this time make it more secure.

*Christmas is a reminder that God came to make His home among us and walk among us. The name Emmanuel given to the baby Jesus means 'God with us'. As a result, lives were changed, and they are changed still as we accept Him in our hearts and share His life and message of hope with others.*

*We wish you a blessed and joy-filled Christmas season.*

*With love and thanks for your love and support.*
